

BIOGRAPHY

UNITED STATES AIR FORCE

COLONEL TIMOTHY A. SEJBA

COLONEL TIMOTHY A. SEJBA

Colonel Timothy A. Sejba serves as Director, Advanced Systems & Development Directorate and Commander, Space & Missile Systems Center, Detachment 1, Kirtland Air Force Base, N.M. The directorate's mission is to deliver responsive space capabilities to users across the National Security Space community and conduct developmental planning, science & technology, and pre-systems acquisition for the Space & Missile Systems Center. Colonel Sejba leads a combined team of 740+ military, government civilians, and contractors in four geographically separated units responsible for development, acquisition, demonstration, launch, test and operations of DOD and civil space systems.

Colonel Sejba is also serving as the Acting Director for Space Rapid Capabilities Office (SpRCO) Kirtland AFB, NM. In this role Colonel Sejba oversees the development, demonstration, and fielding of space capabilities focused on timely satisfaction of Joint Force Commanders' needs.

SpRCO is focused on providing affordable, resilient, and rapid solutions that fundamentally change the way space power is used across the Department of Defense.

Colonel Sejba entered the Air Force following graduation from the University of Minnesota-Duluth in 1995 with a degree in Computer Engineering. He is a developmental engineer with space acquisition, operations and staff experience across the military, intelligence and joint communities.
