

Erik J. Eliassen

Director of DoD Programs & Strategy and Director of National Security Space Programs & Strategy, Universal Space Network, Inc.

Mr. Erik J. Eliassen serves as Director of National Security Space Programs and Strategy and Director of DoD Programs and Strategy at Universal Space Network, Inc. Mr. Eliassen's portfolio includes all Business Development activities related to the Air Force, Navy, Army, MDA, NRO, NGA, ORS, and DARPA activities. Mr. Eliassen joined Universal Space Network in September 2009 after serving 20+ years in the U.S. Air Force where he gained a vast amount of satellite and space operations related experience. His varied assignments include experience as a Satellite Vehicle Operator for Milstar satellites, the Commander for the Air Force's Satellite Control Station in California, and Commander of the 1st Space Operations Squadron where he led 85 people to accomplish various dynamic satellite missions for the Air Force. He holds a Bachelor of Science in Engineering Mechanics from the US Air Force Academy, and two Masters Degrees, one in Space Operations from the Air Force Institute of Technology and the other in Management Information Systems, from the University of Montana.
